## About This Game

### *Pool in Space!*

Galactic Pocket Billiards is a relaxing physics based puzzle game where you use your cue stick to knock celestial objects into black hole pockets. Use planetary gravity to swerve your asteroid cue ball around corners and complete challenging levels.

Features include:

- Over 100 levels to complete
- 400+ stars to collect
- Many unlockable cues, cue balls, themes, minigames, and challenges
- Full-fledged level editor that allows you to share your creations with friends
- Level of the week means you'll be playing new hand-selected community levels

By purchasing this game on Steam, you will also be entitled to free content and level additions after launch!
