About This Content

This is a story based DLC pack, it will add a new story to the game that you can play separately to the main storyline.

The story will follow Kotoha in a kinetic novel story following on from the Harem style ending of the main game, allowing you to see just what happens next in this further epilogue with new CG scenes to enjoy.

This DLC episode is available to purchase now at a reduced rate via the 'Season Pass DLC'.

http://store.steampowered.com/app/708180/Galaxy_Girls_Season_Pass/

n.b. if you have already purchased the season pass do not repurchase this individual DLC item.

ERICA
Well, if you say so.
SLA

I feel another hit from behind me. Of course, logic dictates that it's impossible for Sara to have cloned herself for a pincer attack without me noticing.
